

ROCPAC Code 32982 – Makita **BDF452SHE** 18V Cordless
Driver Drill

- Makita 4 pole motor design with dual steel ball bearings for maximum torque
- Single sleeve keyless chuck
- All metal gear construction ensures high transmission durability
- LED job lights with afterglow function
- Mechanical 2 speed gearing with variable speed on both gears

Included accessories:

Standard: 2 x 1.3Ah Lithium-ion Batteries, 30 minute fast charger

Specifications

Drilling capacities

- Steel 13mm (1/2")

- Wood 36mm (1-7/16")

No load speed

- Hi 0-1,300rpm

- Lo 0-400rpm

Max. fastening torque 50Nm

Overall length 220 x 79 x 227mm

Net weight 1.6Kg

Voltage 18V

Charge time 30min
